

# WELD SERV INDUSTRY

INDUSTRIAL STEEL STRUCTURES & EXECUTION PORTFOLIO

# FULL-SCALE CAPABILITIES

---

Specialized in managing high-complexity technical projects, providing streamlined services from in-house prefabrication and cutting to final on-site erection.

# INDUSTRIAL HALLS & STRUCTURES

## HEAVY STEEL STRUCTURE ASSEMBLY

Constanta, Romania

# COMPLEX TECHNOLOGICAL INSTALLATIONS

**FOOD-GRADE STAINLESS STEEL  
PROCESSING LINES**

Brantford, Canada

**OVERHAUL OF HEAVY INDUSTRIAL  
INSTALLATIONS**

Udine, Italy

# LARGE-SCALE PROJECTS

## INTERMEDIATE PLATFORM ASSEMBLY

Arlon, Belgium

We construct multi-level structures to optimize industrial spaces, ensuring high load-bearing capacities and operational safety.

# TEAM & INFRASTRUCTURE

## SITE PREPARATION & REINFORCEMENT

Olimp, Romania

## INDUSTRIAL HEATING SYSTEM INSTALLATION

Vicenza, Italy

# FLUID DISTRIBUTION & NETWORKS

## PROCESS PIPING

Frankfurt, Germany

## CHEMICAL PROCESSING

Targu Mures, Romania

## HIGH-PRESSURE PIPING

## AUTOMATED SYSTEMS

# HVAC & THERMAL SYSTEMS

**PROFESSIONAL THERMAL SYSTEMS**

Brescia, Italy

**MULTI-LEVEL STEEL STRUCTURES**

Bloomington, USA

# WELDING QUALITY

**HIGH-QUALITY PROFESSIONAL WELDING**

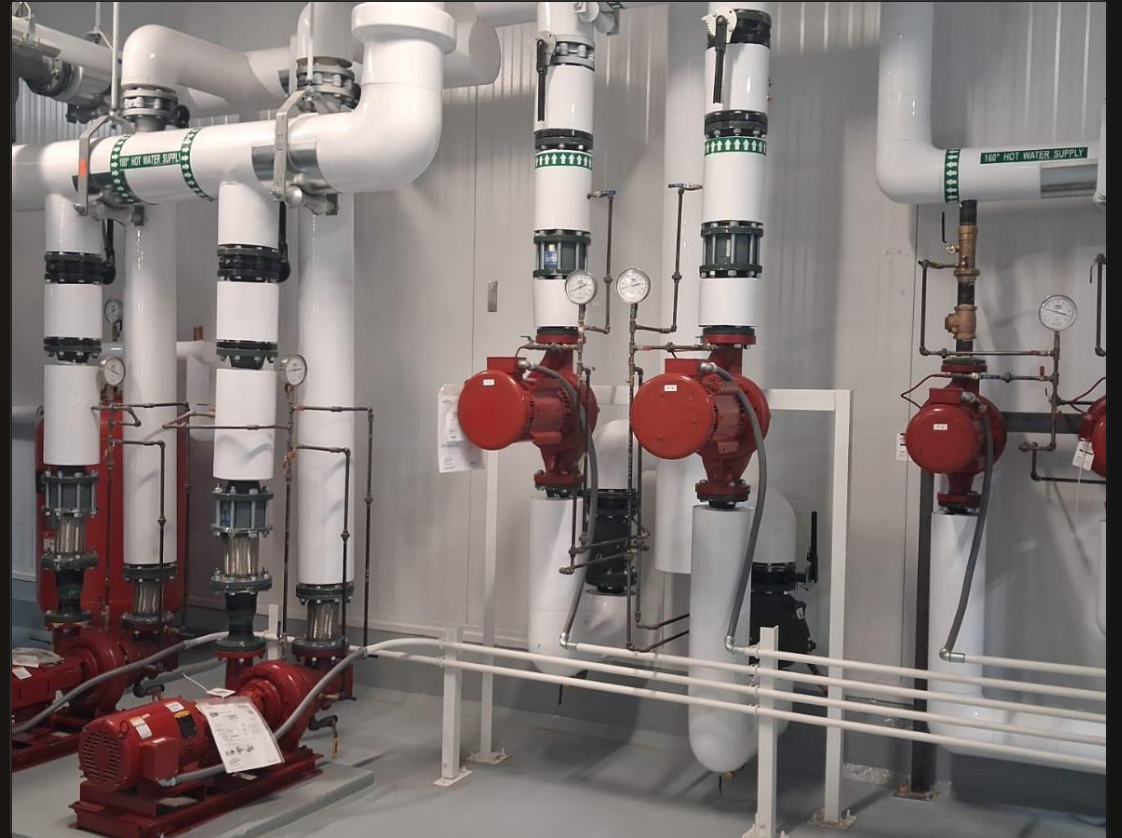

MILLIMETRIC PRECISION

# STATIONS & EXCHANGERS

**HEAT EXCHANGER STATIONS**

Bloomington, USA

**SANITARY STAINLESS STEEL INSTALATIONS**

Chicago, USA

# RENEWABLE ENERGY

## PHOTOVOLTAIC PARK INFRASTRUCTURE

Seville, Spain

# RIGOROUS MANAGEMENT & QUALITY ASSURANCE

## HSE COMPLIANCE (SSM/PSI)

Strict implementation of strict occupational health, work safety, and fire prevention regulations on every active job site.

## EUROPEAN NORMS

All structural execution and premium welding procedures align fully with certified Eurocode guidelines and standards.

## TIMELINE MANAGEMENT

Meticulous project planning ensures accurate tracking and eliminating bottlenecks during on-site structural assembly phases.
